

Students seeking certification in secondary education will major in one of the following content areas: Biology, Chemistry, English, French, General Science, or Mathematics. Students pursuing a certificate in Citizenship Education (Social Studies) will major in History or Political Science and complete additionally prescribed courses for a citizenship education core. Students who want to teach any of these academic subjects must also complete the education courses listed below. Secondary education certification candidates must obtain current program planners for the major from that particular department. Education Department Advisors do not determine courses for majors in content areas.
