* Courses may be selected from a variety of courses within the sequence of numbers beginning with the numbers preceding the "__*."

** Students may select any course offered/accepted by the college, including non-business courses. Six elective credits can be used for study abroad.

*** MSB 287 fulfills the second Philosophy Core requirement

~ A foreign language equivalent to CORE 146 is required to complete the major in International Business. A student will start at the appropriate level (CORE 141-146) determined by his/her background in the language. A student fluent in a second language will be exempt from this requirement.
