Frequently Asked Questions

What if I cannot provide a copy of my and/or my spouse's income tax returns at this time?
You should keep the enclosed form and return it once a complete copy of your (and your spouse's, if married) 2014 U.S. Income Tax Return is available. This includes all supporting forms, schedules and 2014 W-2 Forms. If you or your spouse have an interest in a corporation and/or partnership, you also need to submit copies of the most recent U.S. Partnership and/or Corporate Tax Return(s), including the completed balance sheet(s) and K-1 schedule(s). You must also provide copies of all 1099 Forms received for all family members who received Social Security during 2014 or if your family had received a pension distribution (Form 1040, line 16A or Form 1040A, line 12A) or an IRA distribution (Form 1040, line 15A or Form 1040A, line 11A). The Agency will not process the Special Consideration form until all the tax information is received.

What if my spouse or I have filed an extension and will not have our taxes completed until after the term starts? Will the Agency still be able to extend special consideration for a term that has already started or has been completed?
Yes. As long as the information is received prior to April 1, 2016 the Agency will be able to extend special consideration to your application for the entire academic year, as long as you meet all the requirements.

What if my spouse or I is self-employed and is experiencing a reduction in income?
If the only reason for the reduction is due to self-employed earnings decreasing then unless the business has closed, this is not an acceptable reason at this time since self-employment earnings can be subject to significant fluctuation throughout the year. If you and/or your spouse was self-employed and are no longer employed due to economic conditions or a natural disaster, please submit a copy of your final Partnership and/or Corporate return(s). If you did not file Corporate and/or Partnership returns, please provide documentation to verify that your business is no longer in operation. You should complete this form and mail it back to us along with a completed copy of the 2014 and 2015 U.S. Income Tax returns once available but no later than April 1, 2016. As long as this information is received prior to April 1, 2016, PHEAA will give further review to your 2015-16 State Grant application.

What if my spouse or I will have a decrease in overtime earnings, regular earnings, and/or bonuses?
You must submit a signed statement from your or your spouse’s employer verifying the following data: (a) the date the overtime, regular earnings, and/or bonuses ceased or were reduced (b) the total amount of gross overtime, regular earnings, and/or bonuses received during 2014 (c) the total gross overtime wages, regular earnings, and/or bonuses to be received during the 2015 tax year.

What if my spouse or I was not permanently laid off?
When a person has seasonal employment, is a union laborer, works at a school, is employed on a temporary basis, etc. and they are only temporarily unemployed your family should not complete the reduced income form until after October 1, 2015 or until your family is able to provide an estimate that includes all income that may be received from their employer from January 1, 2015 until December 31, 2015.

What if my spouse is disabled after January 1, 2014?
Your spouse must be totally and permanently disabled (unable to ever work again in any capacity). If they are only on temporary disability the Agency will consider them as unemployed and not disabled. You must provide a letter from your spouse’s physician explaining the prognosis as it relates to them ever being employed in any capacity in the future and the date they became disabled. If the letter does not clearly state that your spouse will not be able to be employed again in any capacity the Agency will be unable to grant recent disability consideration. However, the Agency may be able to process your application based on an approved reduction in your spouse’s 2015 income.

What if the income reduction occurred after October 31, 2015?
You should complete this form and mail it back to us along with completed copies of your (and your spouse’s, if married) 2014 and 2015 U.S. Income Tax returns once available but no later than April 1, 2016. As long as this information is received prior to April 1, 2016, PHEAA will give further review to your 2015-16 State Grant application.

I have already supplied my school with this information. Do I need to submit this information to both State Grant and Special Programs and the school?
Yes. The schools and State Grant and Special Programs have different policies for what is acceptable and both process the information accordingly.
Reduced Income Instruction Sheet

- Have you enclosed a complete copy of your and your spouse's (if married) 2014 and (if requested the 2015) U.S. Income Tax Return with all supporting forms, schedules and Wage and Tax Statements (W-2 Forms)? Each W-2 Form must contain figures in Box 1 and either Box 16 or Box 18. If you and/or your spouse have an interest in a corporation and/or partnership, you also need to submit copies of the most recent U.S. Partnership and/or Corporate Tax Return(s), including the completed balance sheet(s) and K-1 schedule(s). You must also provide copies of all 1099 Forms received for all family members. This is very important if anyone in your family received Social Security during the tax years being requested or if your family received a pension distribution (Form 1040 line 16A or Form 1040A, line 12A) or an IRA distribution (Form 1040, line 15A or Form 1040A, line 11A).

- Have you reported all the estimated payments to tax-deferred pension and savings plans? Check all W-2 Forms to verify if you had payments to a tax-deferred pension and/or savings plan (paid directly or withheld from earnings). Subtract the amount in Box 1 from the amount in Box 16 or Box 18 (whichever is higher) on the W-2 Form to calculate the voluntary and involuntary amounts. This amount may or may not be provided in Boxes 12a-12d, including but not limited to codes D, E, F, G, H, or S. If you are not sure if you had contributed funds to a tax-deferred pension and/or savings plan you should contact your employer.

- Have you waited for at least two full months since the change in employment has occurred?

- Compare the income reported on the Special Consideration form with the income/distribution on your and/or your spouse's tax return and other untaxed income. Have you provided reason(s) and date(s) for ALL reductions that your family will have during 2015?

- If your and/or your spouse's 2014 U.S. Income Tax return reflects a distribution that was "Rolled Over" into another QUALIFIED RETIREMENT ACCOUNT you should submit documentation from your family's financial institution to verify the amount and date when the rollover took place.

- If you and/or your spouse had taken an IRA and/or pension or annuity distribution in 2014 and such had not been rolled over, be sure to provide an explanation if another distribution will be taken in 2015 and report such under Taxable portion of pension, annuities, and 401(K) and/or IRA distributions.

- Have you provided all income received during 2015 prior to the date the reduction took place?

- Have you provided all Severance Pay you and/or your spouse will receive during 2015?

- If you and/or your spouse are eligible to receive unemployment compensation during 2014, have you provided the total amount you anticipate you and/or your spouse will receive during 2015? If you and/or your spouse are not eligible to receive unemployment compensation be sure to note on the form the reason why you and/or your spouse are not eligible.

- Have you provided an estimate of all of the 2015 income for the entire year? Partial year amounts cannot be accepted. If your family is unable to provide a full-year estimate at this time, hold the form until such a time when an accurate full year estimate can be provided.

- Have you answered every question on the form? IF YOUR ANSWER IS NONE YOU MUST ENTER ZEROS. IF ANY QUESTION IS LEFT BLANK ON THIS FORM, THE FORM WILL BE RETURNED FOR COMPLETION AND WILL DELAY THE PROCESSING OF YOUR 2015-16 STATE GRANT APPLICATION.

- If this form is not received prior to December 31, 2015, you will need to provide a copy of your (and your spouses, if married) 2015 U.S. Income Tax Return(s) (as filed with IRS) along with this form. This information must be received prior to April 1, 2016.

- If you have any questions or if you need help completing this form, PHEAA staff is available at 1-800-692-7392 (TTY: Dial 711 for hearing impaired). When calling, please be prepared to provide either your account number or your Social Security number.
