Application for Admission Instructions

The application for admission is the first step in exploring the King's College community. We take the application process very seriously, as it allows the Office of Admission to become very familiar with the many talented men and women who seek admission to King's College. At King's, we look at the entire person when considering students for admission. Academic achievement, participation and leadership in school and community organizations are evaluated. While the paperwork is a necessary component, we also value the opportunity to meet our applicants in person. We strongly recommend scheduling a personal interview at your earliest convenience.

HIGH SCHOOL STUDENTS

• Complete the application in its entirety. Please be sure to either type or clearly print in ink.

• Sign the completed application at the bottom of the last page.

• Enclose the $30 non-refundable application fee. Checks should be made payable to King's College.

• Complete the required personal statement and include it with your application.

• Complete the top section of the school report form and submit the form to your guidance counselor.

• Request the guidance office send your official high school transcript to King's College.

• Decide whether you will submit standardized test scores or a graded paper. A graded paper from either junior or senior year is required if you are not submitting standardized test scores. The graded paper must be the original paper with teacher comments and grade sent from your guidance counselor with the official school seal.

• Inquire from your guidance counselor about office specific procedures they use in the application process. Many will ask you to submit the application, fee and essay to their office, then they will send the entire application package. Others will ask you to submit your paperwork directly to us, and they will forward their appropriate documentation separately.

• Please submit any college/university transcript other than King’s College indicating course work completed. (This transcript will be used for credit evaluation only.)

If you have any questions about the application procedures or anticipate difficulty in attaining the desired documentation, please contact the Office of Admission. In special cases we may choose to waive certain requirements and will process the application with available information.

PARENTS:

• Please complete the Free Application for Federal Student Aid (FAFSA) after January 1, 2014. The preferred filing date for this form is March 1, 2014. The FAFSA will be available in both the high school guidance office and the college financial aid office in December 2013.

• The King’s College Federal School Code is 003282. (This code must be entered correctly on the FAFSA in order for King’s College to receive access to your federal record.)

• Please report your social security number accurately on both the application for admission, financial aid application, and the FAFSA. Copy it directly from your Social Security card.
MAJORS: Mark the first major you wish to pursue at King's as “1.” If interested in a second major please indicate as “2.”
