NOTE: If a student begins his/her study of a language at the beginning or intermediate level (FREN/CORE 141-144), he/she may not graduate within four years. He/she should consult with the Department Chair as early as possible to discuss different options such as taking French classes during the summer session or studying abroad in a French speaking country.

*Placement to be determined. Only French courses numbered 145 or above may be taken for major credit. If a student's background is not sufficient to begin the major with CORE/FREN 145, all courses taken below 145 will be counted as electives. FREN/CORE 146F or equivalent is a prerequisite for all other French Major Courses.

**** In addition to FREN/CORE 145F and FREN/CORE 146F, all students majoring in French are required to take six (6) additional French Major Courses from the following list to satisfy the major requirements**. *(Keep in mind that upper-level French Major Courses are usually offered in alternating years. So, choose the course when it is offered).*
