

Your College Target List

So you've done some thinking, taken the quiz and have an idea of what is most important to you. Now you're going to want to create a log of all of the colleges that might offer what you're looking for and begin to investigate them. To get started, make a list that includes the following.

College Name:

Location					
Web address					
Requested info					
Number of students					
Admission requirements					
Percentage accepted					
Test requirements					
Major(s) interested in					
Average class size					
Cost of attendance					
Average financial aid package					
Career placement rate					
People you know					
Impressions of:					
<ul style="list-style-type: none"> • Website 					
<ul style="list-style-type: none"> • Marketing materials 					
<ul style="list-style-type: none"> • College officers 					
<ul style="list-style-type: none"> • Guidance office 					
<ul style="list-style-type: none"> • Friends and relatives 					
Notes					
Schedule a visit?					

If a school isn't appealing enough to schedule a visit, remove them from your target list. There are plenty of them out there so scratch them off and move on!
