Alumni Awards

CALL FOR NOMINATIONS: King's College seeks nominations for awards honoring graduates who have distinguished themselves through exceptional achievement. Awards are conferred upon alumni by the President of the College from among nominees solicited from the College community. Members of the faculty, staff, administration, and alumni assist the President in the selection process.

AWARD CATEGORIES

The King's College Alumni Awards for Outstanding Professional Achievement are presented by Arts and Sciences and Business (2 awards), and honor alumni who have distinguished themselves through exceptional professional achievement.

The Robert J. Ell Alumni Award for Outstanding Service to Alma Mater is conferred upon an alumnus or alumna for extraordinary service, dedication, and commitment to King's College.

The King's College Alumni Award for Service to Society is presented to an alumnus or alumna who has distinguished themselves through selfless and caring personal commitment to benefit others.

The Leo Award is presented to an alumnus or alumna within 15 years of their graduation who has demonstrated outstanding achievement in their professional or community activities. Named for the King's College mascot, it suggests the energy, pride and sense of purpose which the recipient personifies.

Awards Ceremony: The conferral of Alumni Awards by King's College President, Rev. Thomas P. Looney, C.S.C., Ph. D. Ordinarily, the recipient must be present to accept the award.

With the exception of the Robert J. Ell Award for Outstanding Service to Alma Mater, Alumni Awards ordinarily will not be conferred upon current members of the King's College faculty and staff, or upon alumni who serve on the board of directors or other advisory councils. Exceptions to this norm may be made by the president of the College.
