## BACHELOR OF ARTS (B.A.)

**Are you drawn to linguistics and the Spanish language and culture? We offer an immersive experience catering to beginners and advanced learners.**

Enhance your communication skills and prepare for diverse career paths, including education, translation, and international relations. Discover the significant impact of mastering the Spanish language and culture, gaining a competitive edge in the global job market.

### OPPORTUNITIES AT KING'S COLLEGE

Our curriculum is designed to immerse students in the language, culture, and literature of Spanish-speaking regions. A notable feature is the robust study abroad opportunities through partnerships with esteemed programs in foreign countries, allowing students to experience the language and culture firsthand. Here is what else makes our program unique:

**Internship opportunities:** build professional skills and allow students to apply their language knowledge in real-world settings, enhancing job market competitiveness.

**Compatible second major or minor:** a Spanish major can be combined with any other major. Minors, which require fewer courses, are also available in many areas.

**Global experience:** students will have access to international internships and study abroad opportunities to become immersed in the culture and language.

**Campus community:** students can engage in Alpha Mu Gamma, our foreign language honor society. We also have La Raza, a student club promoting cultural awareness while supporting our Hispanic students. Also, find more educational resources for students and families at the Hispanic and Latino Center (HALE).

**ANNAROSE MCLAUGHLIN '23**  
Spanish & Education K-12 major

"I was able to work on my language acquisition and develop a deeper understanding and appreciation of Hispanic heritage and history. The knowledge the professors possess is valuable and truly useful when applied into practice in everyday life with Spanish speakers."
