_____				_____	TR	Developmental Psychology	3
_____				_____	TR	Statistics	3
_____				_____	TR	English Composition	3
_____				_____	TR	English Literature	3
_____				_____	TR	Intro. To Sociology	3
Total Prerequisite and Advance Placement Credits		72					

General Information: The Normal Nutrition course must be taught by a Licensed Registered Dietitian, and the Developmental Psychology course must span the lifespan. We maintain high academic standards for our nursing program. A bachelor's degree from an accredited college or university is required, with a minimum GPA of 3.0 for a science degree and 3.2 for a non-science degree. Applicants who have been enrolled and were unsuccessful in a previous nursing program will not be considered for admission.

Total Credits Required for Graduation = 120

Sequence of Courses			Credits
Fall		NSG 310 Medication Dosage Calculation and Scholarly Writing in Nursing+	2
Term I		NSG 315 The Profession and Practice of Nursing*	4
		NSG 320 Health Assessment for Nursing+	2
Fall		NSG 325 Adult Nursing Care I*	5
