## **Chiropractic College**

Students following the 3+4 Chiropractic Track will complete the remaining King's College graduation requirements for Exercise Science during the first year at Logan University OR Northeast College of Health Sciences.

Required credits remaining credits to graduate from King's College

#### 23

## **Total Credits Required for Graduation = 122**

### **General Information:**

A student must earn a minimum of 120 credit hours to be awarded the baccalaureate degree. The number of credit hours required for graduation may be higher in certain major programs <u>or</u> if the student elects to pursue a second major. Beyond the requirements of the Core Curriculum and of a student's chosen major program, the balances of the credit hours required for graduation are "free electives."

### 4<sup>th</sup> Year – (1<sup>ST</sup> Year at Chiropractic College)

## First Year Curriculum at Chiropractic College will satisfy the following:

• The remaining 23 credits required for the Exercise Science Degree (EXSC 325, EXSC 400, EXSC 400L, EXSC 440, EXSC 460, EXSC 480, EXSC 499, PSYC 340, and PSYC 351.

#### NOTES

 $^1\!\text{Choose}$  one course from each of the Core Requirements listed on the reverse side.

<sup>&</sup>lt;sup>2</sup> Course may satisfy both a Major and a Core requirement. CHEM 107 and PHYS 111 satisfy the Scientific Endeavor and Science in Context Core requirements. MATH 126 will satisfy the Quantitative Reasoning Core requirement and SOC 101 will satisfy the Human Behavior & Social Institutions Core requirement.

<sup>&</sup>lt;sup>3</sup> A student may take up to 17 credits in the Spring or Fall semesters without being charged for an overload. A "free elective" can be taken for personal enrichment or of Minor and/or Second Major requirements.

<sup>&</sup>lt;sup>4</sup>A student must take SOC 101 Intro to Sociology to graduate from the Exercise Science Program and it must be completed prior to the spring of junior year (3<sup>rd</sup> year). SOC 101 will satisfy the Human Behavior & Social Institution Core requirement.

<sup>&</sup>lt;sup>5</sup> A student must take MATH 126 Intro to Statistics to graduate from the Exercise Science Program. MATH 126 will satisfy the Quantitative Reasoning Core requirement.

PR Course has a prerequisite – Consult college catalog for further information.
