Total Credits Required for Graduation = 121

General Information:

A student must earn a minimum of 120 credit hours to be awarded the baccalaureate degree. The number of credit hours required for graduation may be higher in certain major programs or if the student elects to pursue a second major. Beyond the requirements of the Core Curriculum and of a student's chosen major program, the balances of the credit hours required for graduation are "free electives." ☒

* EDUC 421, 422, and 423 must be taken concurrently in the Fall semester preceding student teaching.
