

# ENTREPRENEURSHIP

(FOR STUDENTS WITHIN THE MCGOWAN SCHOOL OF BUSINESS)  
MINOR CONCENTRATION

A minor concentration requires a minimum of six courses, representing at least sixteen credits, in the minor field of study. In addition, a department may add academic prerequisites or requirements in related fields, but the total will not exceed 60% of the department's major program requirements. Minor requirements are listed under departmental entries. In order to complete requirements for a minor, the student must take the majority of credits in the minor field at King's. Minor areas of concentration (minors) are permitted, but not required.

Monitoring of student progress in pursuing a minor in **Entrepreneurship** is necessary to enhance the student learning experience. Therefore, a written declaration must be submitted by the student to the Registrar.
