

SPORTS MANAGEMENT

MINOR CONCENTRATION

A minor concentration requires a minimum of six courses, representing at least sixteen credits, in the minor field of study. In addition, a department may add academic prerequisites or requirements in related fields, but the total will not exceed 60% of the department's major program requirements. Minor requirements are listed under departmental entries. In order to complete requirements for a minor, the student must take the majority of credits in the minor field at King's. Minor areas of concentration (minors) are permitted but not required.
