NEW CARE CORNER

The Achievement Plus Program has renovated the 3rd floor of our office building at 107 N. Franklin Street. This is a place students can bring their laptop and study in one room and in another room take a break. We also have a refrigerator, microwave & snacks. In addition, we offer personal care, household items & study supplies for those who need them.

Due to COVID-19 policy we only have space for 3-4 individuals in each room at a time and masks must be worn. Students can contact donnadickinson@kings.edu to sign up for a day and time slot.
