

Assistant/Associate Professor of Civil Engineering

King's College, Wilkes-Barre, PA is seeking an Assistant/Associate Professor of Civil Engineering, tenure-track, beginning August 2023.

King's College initiated a Bachelor of Science program in Civil Engineering in fall 2017. This program, along with a Bachelor of Science in Mechanical Engineering program, enables students to earn engineering degrees with the benefits of a small college environment, including modest class sizes, personalized attention, high-impact teaching, and a strong liberal arts experience. The Bachelor of Science degree programs in Civil Engineering and Mechanical Engineering are accredited by the Engineering Accreditation Commission (EAC) of ABET.

Requirements include a Ph.D. in Civil Engineering, or a related field. The successful applicant must be comfortable teaching a wide variety of undergraduate civil engineering courses. Preference will be given to applicants with prior experience teaching geotechnical, transportation and civil materials, and applicants with industry experience.

Particularly welcome are candidates interested in providing students with meaningful research opportunities and who are supportive of the Holy Cross Mission and Catholic identity of the College.

Send one *.pdf file containing a letter of application, CV, statement of teaching philosophy, statement of research interests, a list of three references with contact information, and undergraduate and graduate transcripts to hrjobs@kings.edu. Three letters of recommendation must also be provided to receive full consideration. Complete applications must be received by February 15, 2023.

King's College is a private, Catholic college of the liberal arts & sciences and professional programs sponsored by the Congregation of Holy Cross. The College serves over 2100 FT & PT undergrad & graduate students. A rigorous core curriculum provides the foundation for all majors. The College is located near downtown Wilkes-Barre, on the edge of the Pocono Mountains. King's is committed to recruiting a diverse work force and welcomes applications from persons of traditionally under-represented groups. EOE www.kings.edu/hr.
