

King's College - Chairperson of the Department of Nursing

King's College, Wilkes-Barre, PA, is seeking applicants for the position of Tenure Track Assistant Professor to serve as Chairperson of the Department of Nursing. This appointment is a full time, 9-month appointment with a stipend in the summer, beginning August 2022. Rank of this faculty position is commensurate with individual experience. The successful candidate would be responsible for administration of the 1-2-1 Dual Degrees in Nursing partnership with Luzerne County Community College (LCCC) and the RN to BS in Nursing program in collaboration with its director. Responsibilities include teaching in the RN to BS in Nursing program as well as coordination of the 1-2-1 Dual Degrees in Nursing curriculum.

A Doctorate in Nursing or related field is required but will consider candidates with evidence of matriculation and significant progress in a doctoral program of study. The candidate must be eligible for licensure in Pennsylvania, demonstrate commitment to excellence in teaching, scholarship, service, professional development, and a minimum of 3 years of experience teaching in baccalaureate nursing education. Successful candidates will also have experience with accreditation of nursing programs, administrative ability, interpersonal skills, leadership and management skills, and the capacity to work positively with internal college communities (both King's College and LCCC) as well as with external medical and health systems. The successful candidate will support the Holy Cross Mission and Catholic identity of the College. Salary is commensurate with qualifications and experience.

The 1-2-1 Dual Degrees in Nursing program supports an agreement that King's has reached with LCCC. This partnership is designed for students to enroll in courses at King's in the first year, complete the Associate degree in nursing at LCCC in the second and third years, and complete coursework for the Bachelor of Science in Nursing at King's during the fourth year. This program provides students with a seamless pathway to a traditional, four-year experience in the environment of a small college with a strong liberal arts foundation that leads to a Bachelor of Science in Nursing degree.

To apply, send one .pdf file containing a letter of application, CV, undergraduate and graduate transcripts, and three letters of recommendation to hrjobs@kings.edu. Screening of applicants will begin January 24, 2022 and continue until the position is filled.

A Catholic institution of higher education animated and guided by the Congregation of Holy Cross, King's pursues excellence in teaching, learning, and scholarship through a rigorous core curriculum, major programs across the liberal arts and sciences, nationally-accredited professional programs at the undergraduate and graduate levels, and personal attention to student formation in a nurturing community. The College is in downtown Wilkes-Barre, on the edge of the Pocono Mountains. King's is committed to recruiting a diverse faculty and student body and welcomes applications from persons of traditionally under-represented groups. Further information about King's can be found at www.kings.edu. EOE. The Health Sciences, housed in the state-of-the-art Richard Abbas Alley Center for Health Sciences, has fully accredited Athletic Training, Physician Assistant, Nursing, Nutrition and Dietetics (Candidacy), and Occupational Therapy (applicant) programs and robust programs in Exercise Science and Nutrition Science.
