

King's College – Clinical Faculty in the Department of Nursing

King's College, Wilkes-Barre, PA, is seeking applicants for a full-time clinical faculty member (non-tenure track, 12 – months) in the Department of Nursing, beginning August 2024 with potential for a stipend in summer 2023. Rank and salary are commensurate with individual experience.

The successful candidate would be responsible for supervising the daily operations of nursing student clinical learning experiences and establishing and maintaining clinical contracts with community health partners in the RN to BS in Nursing and Accelerated Bachelor of Science in Nursing Hybrid (ABSN-H) programs. Additional responsibilities include, but are not limited to, managing the nursing lab, testing and remediation of students' nursing skills, and the development and evaluation of simulations. Opportunities to teach in the Dual Degree, RN to BS in Nursing and the ABSN-H Programs may be available as needed. A full list of essential duties and responsibilities can be found in the job description on the King's College website www.kings.edu/jobs

Minimum requirements for applicants are a Master of Science in Nursing granted by a U.S. regional accredited College or University, Active or eligible for a Pennsylvania Registered Nurse License, three years of full-time experience in a clinical setting as a Registered Nurse, three years as a nurse educator, Certified Healthcare Simulation Coordinator (CHSE) or completion within two years of hire, proficient computer skills, and excellent professional written and oral communication skills. Preferred qualifications include a terminal degree in Nursing granted by a U.S. regionally accredited College or University and National League of Nursing (NLN) Academic Nurse Educator Certification (CNE). The successful candidate will support the Holy Cross Mission and Catholic identity of the College.

To apply submit a letter of interest, curriculum vitae, and names and contact information of three professional references to HRjobs@kings.edu . Screening of applications will begin February 5th, 2024, and continue until the position is filled.

A Catholic institution of higher education animated and guided by the Congregation of Holy Cross, King's pursues excellence in teaching, learning, and scholarship through a rigorous core curriculum, major programs across the liberal arts and sciences, nationally accredited professional programs at the undergraduate and graduate levels, and personal attention to student formation in a nurturing community. The College is in downtown Wilkes-Barre, on the edge of the Pocono Mountains. King's is committed to recruiting a diverse faculty and student body and welcomes applications from persons of traditionally under-represented groups. Further information about King's can be found at www.kings.edu. EOE. The Health Sciences, housed in the state-of-the-art Richard Abbas Alley Center for Health Sciences, has accredited Athletic Training, Nursing, Physician Assistant, Nutrition and Dietetics (Candidacy), Occupational Therapy (Candidacy), and Strength and Conditioning (Applicant) programs and robust programs in Exercise Science and Nutrition Science.
