About King's

King's College is a Catholic institution of higher education animated and guided by the Congregation of Holy Cross. King's pursues excellence in teaching, learning, and scholarship through a rigorous core curriculum, major programs across the liberal arts and sciences, nationally accredited professional programs at the undergraduate and graduate levels, and personal attention to student formation in a nurturing community. We offer competitive total rewards, tuition remission for employees and their dependents, 403(b) plans, and generous paid-time-off and holidays. Our culture is driven by our commitment to our mission, our community and our friendly, knowledgeable faculty and staff.

EEO Statement

King's College does not discriminate in employment on the basis of race, color, religion, sex (including pregnancy and gender identity), national origin, political affiliation, sexual orientation, marital status, disability, genetic information, age, parental status, military service, or other non-merit factors. We celebrate diversity by fostering a welcoming and inclusive environment where each member of King's College feels respected with a sense of belonging.

King's College, Wilkes-Barre, PA, seeks adjunct clinical nursing instructors to teach in adult health, psychiatric mental health, obstetrics, pediatrics, community health and long-term care settings for our Accelerated Baccalaureate of Science in Nursing Program, beginning in the Fall 2024 semester.

Qualifications:

Master's degree in nursing; licensure as a registered nurse in Pennsylvania; experience in clinical specialty area (adult health, psychiatric mental health, obstetrics, pediatrics, community, and long-term care)

If currently BSN prepared, candidate must be willing to enroll in a master's degree in nursing program.

Per Pennsylvania State Board of Nursing, faculty with a BSN will need to provide evidence of a plan for obtaining a graduate degree in nursing.

A person may teach with a BSN in a nursing education program in Pennsylvania for a maximum cumulative period of 5 years.

Current American Heart Association Basic Life Support Healthcare Provider course completion card

Successful candidate/s will be required to submit documentation of various clearances upon hire.

Strong verbal and written communication skills.

The successful candidate will support the Holy Cross Mission and Catholic identity of the College.

Responsibilities:

Select appropriate learning experiences for the assigned student group(s), i.e., client/patient assignments and planning clinical pre and post conferences.

Observation of the students' performance and review of procedures and principles as necessary.

Evaluation of students' clinical performance on a weekly basis and verbally, as needed, on an individual basis, including written feedback.

Attends hospital orientations prior to start of clinical and orients students to the assigned clinical unit.

Participates and leads simulated nursing experiences.

Maintains a cooperative, positive relationship with the staff on the nursing unit to facilitate an optimal learning environment for the students.

To apply, send one *.pdf file containing a letter of application, CV, undergraduate and graduate transcripts to hrjobs@kings.edu. Review of applications will begin immediately and will continue until the positions are filled.
