PROGRAM DESCRIPTIONS

CITYSERVE | MONARCH COURT

HCE groups go on an interactive walking tour to learn about volunteer opportunities and nonprofits in the neighborhood surrounding King's. Put on your walking shoes and meet new classmates while exploring ways to be an impactful part of a caring community. *Any students with mobility issues can contact their HCE co-leader for assistance or other ways to participate.*

WELLNESS | MAFFEI THEATRE, ADMINISTRATION BUILDING

Wellness is about achieving optimal vitality and not just avoiding sickness. This session will touch on pillars of wellness: physical, nutritional, emotional, social, spiritual, intellectual, financial, and environmental.

CAMPUS SAFETY | BURKE AUD., MCGOWAN SCHOOL OF BUSINESS

Students will learn about safety on our campus and in the surrounding area. The presentation will review our Campus Shield app and security measures to be aware of as you begin your college experience.

HCE 101 INTRODUCTION | CLASSROOM ON NAMETAG

HCE 101 is a one-credit course scheduled for all new students during the first semester. The instructor and student co-leader will review the course content and requirements prior to your first meeting.

DIVERSITY/INCLUSION | CAMPUS CENTER 3FL

Tackle different components of diversity, equity, and inclusion (DEI) in a fun and engaging way. Participate in our meaningful conversations, competitive fun, and find out how King's values DEI across campus.

ZERO SHADES OF GRAY | CAMPUS CENTER 3FL

This program sets the tone that there are no disclaimers, no clauses, and no fine print when it comes to how people feel about being sexually assaulted or raped. It's serious to the victim, and this session helps students understand that this isn't a victim problem, it's a problem on all levels.

BREATHE NOLAN BREATHE | BURKE AUD., MCGOWAN SCHOOL OF BUSINESS

A documentary born from tragedy but inspired a national safety campaign. This film opens an honest dialogue and educates young adults to ensure preventable situations like this never happen again.
