CORE 281-289 Philos.II	3	EXSC 440	3				
		EXSC 480	2				
		EXSC 481*	2				
		EXSC 499*	3				
Total Credits for CORE	40	Total Credits for Major		70	Total Credits for Free Electives		12

Total Credits Required for Graduation = 122

¹Students are required to take CORE 180 **OR** CORE 190 to fulfill the Interdisciplinary CORE requirement.

- If a student takes CORE 180, then he/she should choose from 191 – 198 to fulfill the 19x's requirement.
- If a student takes CORE 190, then he/she should choose from 181 – 188 to fulfill the 18x's requirement.

²A student must take CORE 157 to graduate from the Exercise Science Program. A student CANNOT take CORE 150-156 or 158-159 and meet graduation requirements. A student must take CORE 157 prior to spring of junior (3rd year).

³MATH 126 must be taken prior to EXSC 480/481.

* Indicates that these courses have pre-requisites. Please consult college catalog for further information.

† If a student intends to go on to Occupational Therapy graduate school, it is recommended that the following classes are taken as electives:

Fall Junior Year: PSYC 351 - Psychopathology
 Spring Junior Year: PSYC 355 – Developmental Psychology: Childhood and Adolescence
 Fall Senior Year: PSYC 356 – Developmental Psychology: Adulthood & Aging
 Spring Senior Year: PSYC 345 – Biology of Mental Illness

General Information:

A student must earn a minimum of 120 credit hours to be awarded the baccalaureate degree. The number of credit hours required for graduation may be higher in certain major programs or if the student elects to pursue a second major.

The requirements of the Core Curriculum represent 52-59 credit hours. Beyond the requirements of the Core Curriculum and of a student's chosen major program, the balances of the credit hours required for graduation are "free electives."

EXERCISE SCIENCE – APPLIED EXERCISE SCIENCE TRACK

SUGGESTED SEQUENCE

- Use the information below as a guide when selecting courses.
- Refer to the reverse side when selecting major courses, major electives, core courses, and free electives when applicable.
- Consult your Academic Advisor prior to course registration.
- Refer to the King’s College Catalog and/or website for course titles and descriptions.
- Choose one course from each CORE category as listed on the reverse side.
 - CORE courses may be taken in any order approved by the academic advisor with the following conditions:
 - CORE 100 and CORE 110 should be taken in the first year whenever possible.
 - CORE 115 (or 116) should be taken within the first two years whenever possible.
