Total Credits Required for Graduation = 120

NOTE: If a student begins his/her study of a language at the beginning or intermediate level (CORE 141F-144F), he/she may not graduate within four years. He/she should consult with the Department Chair as early as possible to discuss different options such as taking French classes during the summer session or studying abroad in a French speaking country.

*Placement to be determined. Only French courses numbered 145 or above may be taken for major credit. If a student's background is not sufficient to begin the major with CORE 145F, all courses taken below 145 will be counted as electives.

**In addition to CORE 145F, FREN 231, FREN 233, and FREN 480, all students majoring in French/Secondary Education are required to take a French Literature Course (FREN 235, FREN 341, FREN 342 or an appropriate FREN 491) and three (3) additional French Major Courses to satisfy the twenty-four (24) French credits required for the major. (Keep in mind that upper-level French Major Courses are offered on a rotating basis. So, choose the course when it is offered). Choose from the list below:

French Major Courses**			
FREN 235	FREN 251	FREN 332	FREN 342
FREN 241	FREN 331	FREN 341	FREN 491

¹ Students are required to take CORE 150, CORE 180 **OR** CORE 190 to fulfill the Interdisciplinary CORE requirement.

- If a student takes CORE 150, then he/she should choose from 181 – 188 to fulfill the 18x requirement AND from 191 – 198 to fulfill the 19x requirement
- If a student takes CORE 180, then he/she should choose from 151 – 158 to fulfill the 15x requirement AND from 191 – 198 to fulfill the 19x requirement.
- If a student takes CORE 190, then he/she should choose from 151 – 158 to fulfill the 15x requirement AND from 181 – 188 to fulfill the 18x requirement.

² Updated Child Abuse & Criminal Record & FBI Clearances **REQUIRED** for EDUC 235, EDUC 240, EDUC 270, EDUC 304, EDUC 305, EDUC 350, EDUC 366, EDUC 467 and EDUC 468.

³ All secondary teacher certification candidates must complete six credits of college level mathematics and six credits of college level English. CORE 110 and CORE 16__ satisfy the secondary certification requirement for English. For the six credit Math requirement, students should strongly consider taking MATH 101 and MATH 102 in place of CORE 120. The content of the MATH 101/MATH 102 sequence is consistent with the material found on the Basic Skills examination. Together, MATH 101 and MATH 102 satisfy the three math credits required for King's College Core Curriculum as well as the six credit math requirement for Education

⁴ Students may select "free electives" for personal enrichment **OR** for Minor and/or Second Major Requirements.

⁵ EDUC 299 Basic Skills is a pre-requisite for all 300 and 400 level education courses. In order to register for this course, you must take and pass all basic skills tests.

⁶ In addition to the above requirements, secondary teacher certification candidates in French must take the ACTFL (American Council on the Teaching of Foreign Language) Oral Proficiency Interview (OPI) **prior to student teaching**. In order to receive certification, these candidates must achieve a score of Advanced Low or above. For certification, candidates must also either pass the Fundamental Subjects Test or take the ACTFL Written Proficiency Test (in addition to the OPI) and receive a score of Intermediate High on the WPT.

General Information:

A student must earn a minimum of 120 credit hours to be awarded the baccalaureate degree. The number of credit hours required for graduation may be higher in certain major programs **or** if the student elects to pursue a second major.

Beyond the requirements of the Core Curriculum and of a student's chosen major program, the balances of the credit hours required for graduation are "free electives."

Students seeking secondary certification must meet with his/her specific content area department for content area courses required for the degree. The Education Division is not responsible for content area or CORE courses for secondary certification candidates.
