## Total Credits Required for Graduation $=122$

Physics Electives - In addition to the Major Sequence requirements, a Physics Major must also complete a minimum of three (3) upperlevel PHYS courses numbered 231 or higher. Some elective courses have a required laboratory component. Some courses in MATH or CHEM may be cross-listed as PHYS. †One Physics Elective can be satisfied with 3-credits of student research.

|  | Physics Electives |  |  |
| :---: | :---: | :---: | :---: |
| PHYS 241* | PHYS 233 | PHYS 372 | PHYS 320 |

${ }^{1}$ Students are required to take CORE 150, CORE 180 OR CORE 190 to fulfill the Interdisciplinary CORE requirement.

- If a student takes CORE 150, then he/she should choose from 181-188 to fulfill the 18x requirement AND from $191-198$ to fulfill the $19 x$ requirement.
- If a student takes CORE 180, then he/she should choose from 151 - 158 to fulfill the 15 x requirement AND from 191 - 198 to fulfill the 19 x requirement.
- If a student takes CORE 190, then he/she should choose from $151-158$ to fulfill the 15 x requirement AND from $181-188$ to fulfill the 18 x requirement.
${ }^{2}$ Students may select "free electives" for personal enrichment OR for Minor and/or Second Major Requirements.

## General Information:

A student must earn a minimum of 120 credit hours to be awarded the baccalaureate degree. The number of credit hours required for graduation may be higher in certain major programs or if the student elects to pursue a second major.
Beyond the requirements of the Core Curriculum and of a student's chosen major program, the balances of the credit hours required for graduation are "free electives."

## Physics

## SugGESTED SEQUENCE

- Use the information below as a guide when selecting courses.
- Refer to the reverse side when selecting major courses, major electives, core courses, and free electives when applicable.
- Consult your Academic Advisor prior to course registration.
- Refer to the King's College Catalog and/or website for course titles and descriptions.
- Choose one course from each CORE category as listed on the reverse side.
- CORE courses may be taken in any order approved by the academic advisor with the following conditions:
- CORE 100 and CORE 110 should be taken in the first available semesters.
- CORE 115 (or 116) should be taken within the first two years.
- For students selecting a Foreign Language (CORE 14x), every effort should be made to register for that language in the first available semester at King's.
