General Information:

A student must earn a minimum of 120 credit hours to be awarded the baccalaureate degree. The number of credit hours required for graduation may be higher in certain major programs **or** if the student elects to pursue a second major.

Beyond the requirements of the Core Curriculum and of a student’s chosen major program, the balances of the credit hours required for graduation are “free electives.” **Because of the CORE and Major requirements, there are no “Free Electives” for students majoring in Education (Pre-School-Grade 4 (PK-4) / Special Education (K-8)).**
