

CLINICAL LAB SCIENCE/ MEDICAL TECHNOLOGY

BACHELOR OF SCIENCE (BS.CLS)

CORE** Requirements	Credits	Major Requirements	Credits	Major Requirements	Credits	Senior Year Requirement	Credits
CORE 090 First Year Exp.	1	BIOL 113	3	CHEM 113	3	Hospital-based Clinical Rotation	30 - 36
CORE 100 Lib Arts Sem.	3	BIOL 113L	1	CHEM 113L	1		
CORE 110 Effect Writ.	3	BIOL 210	3	CHEM 114	3		
CORE 115 or 116 Oral Comm.	3	BIOL 210L	1	CHEM 114L	1		
CORE 131 or 133 Civilization	3	BIOL 213	3	CHEM 241	3		
CORE 140 or 141-145 Forgn.	3	BIOL 213L	1	CHEM 241L	1		
CORE 150-159 Soc. Sci. ¹	3	BIOL 224	3	CHEM 242	3		
CORE 160-169 Literature	3	BIOL 224L	1	CHEM 242L	1		
CORE 170-179 The Arts	3	BIOL 229	1	MATH 128	4		
CORE 180-189 Amer. Studies ¹	3	BIOL 314	3				
CORE 190-199 Global Studies ¹	3	BIOL 314L	1				
CORE 250-259 Syst. Theology	3	BIOL 326	3				
CORE 260-269 Mor. Theology	3	BIOL 326L	1				
CORE 280 Philosophy I	3	CLS Major Science Electives:					
CORE 281-289 Philosophy II	3	MATH 125*			4		
		CLS Major Elective*			3		
		CLS Major Elective Lab*			1-2		
		CLS Major Elective*			3		
		CLS Major Elective Lab*			1-2		
Total Credits for CORE	43	Total Credits (Required & Recommended) for Major		57 -59		Total Credits for Clinical Rotation	30 -36

Minimum Credit Requirement at King's College (during three years)	91
Credits completed during Clinical Rotation (fourth year)	30 - 36
Total Minimum Credits Required for Graduation	121 – 126

Credits Required & Recommended at King's College (during three years)	100 – 102
Credits completed during Clinical Rotation (fourth year)	30 – 36
Total Required & Recommended Credits Required for Graduation	130 – 138

*Strongly Recommended; In addition to the Major sequence requirements, a CLS major is strongly encouraged to take MATH 125 and two of the following CLS Major Science Electives including the lab:

*Clinical Laboratory Major Science Electives	
BIOL 221 & 221L Anatomy & Physiology I for Med. Stud. & Lab	CHEM 243 & 243L Analytical Chemistry & Lab
BIOL 222 & 222L Anatomy & Physiology II for Med. Stud. & Lab	CHEM 244 & 244L Instrumental Analysis & Lab
BIOL 323 & 323L Genetics & Lab	
BIOL 450 & 450L Molec. Genetics: RNA Science & Lab	

**Students are strongly encouraged to take some CORE courses during the summer months to help “lighten” their course load during a semester and to also allow for the Strongly Recommended courses.

NOTE: A student must complete the CORE and all required sequences at King's College (90 credits in three years) before being eligible to enter the Hospital-based internship (fourth year).

Senior Year: Hospital-based Clinical Rotation (30-36 credits) which is approved by the American Society of Clinical Pathologists (ASCP), consisting of: Clinical Chemistry, Hematology, Immunology, Microbiology, Phlebotomy, Transfusion Medicine, Renal Analysis.

¹Students are required to take CORE 150, CORE 180 **OR** CORE 190 to fulfill the Interdisciplinary CORE requirement.

- If a student takes CORE 150, then he/she should choose from 181 – 188 to fulfill the 18x requirement AND from 191 – 198 to fulfill the 19x requirement.
- If a student takes CORE 180, then he/she should choose from 151 – 158 to fulfill the 15x requirement AND from 191 – 198 to fulfill the 19x requirement.
- If a student takes CORE 190, then he/she should choose from 151 – 158 to fulfill the 15x requirement AND from 181 – 188 to fulfill the 18x requirement.

General Information:

A student must earn a minimum of 120 credit hours to be awarded the baccalaureate degree. The number of credit hours required for graduation may be higher in certain major programs **or** if the student elects to pursue a second major.

Beyond the requirements of the Core Curriculum and of a student's chosen major program, the balances of the credit hours required for graduation are “free electives.” **Because of the Core, Major and Strongly Recommended courses, there are no “Free Electives” for students majoring in Clinical Lab Science.**

CLINICAL LAB SCIENCE / MEDICAL TECHNOLOGY

SUGGESTED SEQUENCE

- Use the information below as a guide when selecting courses.
- Refer to the reverse side when selecting major courses, major electives, core courses, and free electives when applicable.
- Consult your Academic Advisor prior to course registration.
- Refer to the King's College Catalog and/or website for course titles and descriptions.
- Choose one course from each CORE category as listed on the reverse side.
 - CORE courses may be taken in any order approved by the academic advisor with the following conditions:
 - CORE 100 and CORE 110 should be taken in the first year.
 - CORE 115 (or 116) should be taken within the first two years.
 - For students selecting a Foreign Language (CORE 14x), every effort should be made to register for that language in the first semester at King's.
