Total Credits Required for Graduation = 126

Upon graduation, a student will receive a Bachelor of Science in Business Administration (B.S.B.A.) with a major in Accounting.

*In order to be licensed as a Certified Public Accountant in certain jurisdictions students are encouraged to complete credits in forensic accounting which is an additional three credits in accounting electives beyond the requirements of the degree program. A Forensic Accounting Minor is available for accounting majors which is an additional 9 credits beyond the requirements of the degree program. Students are encouraged to obtain a minor selected from any of the minors offered by King's College. A student must earn a minimum of 120 credit hours to be awarded a baccalaureate degree. The number of credit hours required for graduation may be higher in certain major programs or if the student elects to pursue a second major or minor.

NOTES

¹Choose one course from each of the Core Requirements listed on the reverse side.

² Course may satisfy both a Major and a Core requirement. MATH 123 satisfies the Quantitative Reasoning Core requirement, ECON 111 or ECON 112 satisfies the Human Behavior & Social Institutions Core requirement, and MSB 287 satisfies the Philosophical Investigations Core requirement.

³ Students may select "free electives" for personal enrichment or for minor and/or second major requirements. Up to six hours of internship credit may also serve as free electives.

⁴ENGL 110 and COMM 115 are prerequisites for many upper-level courses and should be taken during the first year.

PR Course has a prerequisite – check college catalog.
