### **Total Credits Required for Graduation = 129**

\*Physics Electives - In addition to the Major Sequence requirements, a Physics Major must also complete a minimum of three (3) upper-level PHYS courses numbered 231 or higher. Some elective courses have a required laboratory component. Some courses in MATH, ENGR or CHEM may be cross-listed as PHYS. One Physics Elective can be satisfied with 3-credits of student research.

\*\*One Physics Elective can be satisfied with 3-credits of student research.

Physics Electives for Engineering	Physics Electives	for Graduate School
PHYS 241: Statics	PHYS 250: Relativity	PHYS 340: Optics
PHYS 242: Mechanics of Solids	PHYS 260: Num. Techniques	PHYS 420: Particle Phys.
PHYS 233: Electronics I	PHYS 285: Astrophysics	PHYS 450: Atomic & Nuclear Phys
PHYS 234: Electronics II	PHYS 320: Adv. Lab	
PHYS 360: Fluid Dynamics	PHYS 372: E&M II	

### General Information:

A student must earn a minimum of 120 credit hours to be awarded the baccalaureate degree. The number of credit hours required for graduation may be higher in certain major programs <u>or</u> if the student elects to pursue a second major. Beyond the requirements of the Core Curriculum and of a student's chosen major program, the balances of the credit hours required for graduation are "free electives."

# **Physics – Business**

### Suggested Sequence

A suggested course sequence of degree requirements is listed below. Refer to the college catalog for course titles, descriptions, and prerequisites. Always consult your Academic Advisor when planning and scheduling your classes.

#### NOTES:

<sup>1</sup>Choose one course from each of the Core Requirements listed on the reverse side.

<sup>2</sup> Course may satisfy both a Major and a Core requirement. MATH 129 satisfies the Quantitative Reasoning Core requirement, PHYS 113 and CHEM 113 satisfy the Scientific Endeavor and Science in Context Core requirements, and ECON 111 or ECON 112 will satisfy the Human Behavior & Social Institutions Core requirement. <sup>3</sup> Physics students are encouraged to pursue the following Fall/Spring course sequences to fulfill the Business Elective 1 and 2 requirements:

- Technology Management: BUS 363 Operations Management and BUS 435 Global Innovation, Technology & Entrepreneurship
- Manufacturing & Operations Management: MKT 385 Supply Chain Management and BUS 363 Operations Management
- Marketing: MKT 330 Selling Strategies and MKT 390 International Marketing
- Entrepreneurship: BUS 330 Business Entrepreneurship and BUS 435 Global Innovation, Technology & Entrepreneurship

Accounting: ACCT 115/L – Introduction to Financial Accounting II with Lab and ACCT 240– Intermediate Accounting I

<sup>4</sup> Students are encouraged to take summer courses to relieve the course load pressure during this semester.

<sup>PR</sup> Course has a prerequisite – check college catalog. <sup>CR</sup> Course has a co-requisite – check college catalog.
