NOTES: A student who declares the Theology major after having taken THEO 153 may substitute that course for either THEO 151 or 152 with the permission of the department chair. A student taking Theology as a second major is exempt from two of the free electives and thus can complete the major with only 9 courses (27 credits) and can choose any one free elective.

General Information:

A student must earn a minimum of 120 credit hours to be awarded the baccalaureate degree. The number of credit hours required for graduation may be higher in certain major programs <u>or</u> if the student elects to pursue a second major. Beyond the requirements of the Core Curriculum and of a student's chosen major program, the balances of the credit hours required for graduation are "free electives."
