Total Credits Required for Graduation = 123

General Information:

A student must earn a minimum of 120 credit hours to be awarded the baccalaureate degree. The number of credit hours required for graduation may be higher in certain major programs <u>or</u> if the student elects to pursue a second major. Beyond the requirements of the Core Curriculum and of a student's chosen major program, the balances of the credit hours required for graduation are "free electives."

Exercise Science – Exercise Physiology Track

Suggested Sequence

A suggested course sequence of degree requirements is listed below. Refer to the college catalog for course titles, descriptions, and prerequisites. Always consult your Academic Advisor when planning and scheduling your classes.

Fall	Credits	Spring	Cr
EXSC 101 Intro. to Exercise Science	3	EXSC 150 Prev., Treat., & Emerg. Care of Inj.	
CHEM 113 ² General Chemistry I	3	CHEM 114 ^{2,PR} General Chemistry II	
CHEM 113L General Chemistry I Lab	1	CHEM 114L ^{PR} General Chemistry II Lab	
SOC 101 ^{2,4} Intro to Sociology	3	PSYC 101 Introduction to Psychology	
Core Course ¹	3	Core Course ¹	
HCE 101 Holy Cross Experience	1	Core Course ¹	
Student may take an additional course up to 17 credits	14		
Summer	Credits		
Fall	Credits	Spring	Cı

NOTES:

¹Choose one course from each of the Core Requirements listed on the reverse side.

² Course may satisfy both a Major and a Core requirement. CHEM 113 and CHEM 114 satisfy the Scientific Endeavor and Science in Context Core requirements. MATH 126 will satisfy the Quantitative Reasoning Core requirement and SOC 101 will satisfy the Human Behavior & Social Institutions Core requirement

³ A student may take up to 17 credits in the Spring or Fall semesters without being charged for an overload. A "free elective" can be taken for personal enrichment or of Minor and/or Second Major requirements.

⁴ A student must take SOC 101 Intro to Sociology to graduate from the Exercise Science Program and it must be completed prior to the spring of junior year (3rd year). SOC 101 will satisfy the Human Behavior & Social Institution Core requirement.

⁵ A student must take MATH 126 Intro to Statistics to graduate from the Exercise Science Program. MATH 126 will satisfy the Quantitative Reasoning Core requirement.

PR Course has a prerequisite – Consult college catalog for further information.
