Total Credits Required for Graduation = 150

Upon graduation, a student will receive a Bachelor of Science in Business Administration (B.S.B.A.) with a major in Accounting.

*In order to be licensed as a Certified Public Accountant in certain jurisdictions students are encouraged to complete credits in forensic accounting which is an additional three credits in accounting electives beyond the requirements of the degree program. A Forensic Accounting Minor is available for accounting majors which is an additional 9 credits beyond the requirements of the degree program. Accounting students who wish to pursue the Certified Public Accountant examination upon graduation may be required to obtain 150 credit hours of college level education (hereinafter referred to as the "150 Hour Requirement") as a prerequisite to sitting for the examination. Students are encouraged to take summer courses as outlined on the 150 credit hour course planner on the reverse side as well as additional credits during the fall and spring semesters. To further encourage Accounting majors to complete their 150 Hour Requirement while an undergraduate student at King's College, Accounting majors will be permitted to take eighteen (18) credits per semester for both their fall and spring semesters of their senior year at King's. Students are encouraged to obtain a double major or minor selected from any of the majors or minors offered by King's College.

Accounting (150 Credit hours – CPA Track A)

Suggested Sequence

A suggested course sequence of degree requirements is listed below. Refer to the college catalog for course titles, descriptions, and prerequisites. Always consult your Academic Advisor when planning and scheduling your classes.

Fall	Credits	Spring	Credits
MSB 100 Intro. to Business	1	MSB 120 ^{PR} Intro. to Mgmt. Control & Planning	3
MSB 110 Intro. to Financial Reporting	3	CIS 110 Intro. To Bus. Information Systems	3

Total Cr	edits Required f	for Graduation = 150	

NOTES:

¹Choose one course from each of the Core Requirements listed on the reverse side.

² Course may satisfy both a Major and a Core requirement. MATH 123 satisfies the Quantitative Reasoning Core requirement, ECON 111 or ECON 112 satisfies the Human Behavior & Social Institutions Core requirement, and MSB 287 satisfies the Philosophical Investigations Core requirement.

³ Students may select "free electives" for personal enrichment or for minor and/or second major requirements. Up to six hours of internship credit may also serve as free electives.

⁴ ENGL 110 and COMM 115 are prerequisites for many upper-level courses and should be taken during the first year.

^{PR} Course has a prerequisite – check college catalog.
