## **Nursing RN to BS in Nursing Degree**

Bachelor of Science (BS.NURST)

Graduates of associate degree and diploma programs of Nursing, after obtaining licensure, may enroll in the Bachelor of Science in Nursing degree program. The BS in Nursing degree requires a minimum of 120 credits and includes 3 graduate credits that may be applied to a Master of Science Degree Program in Nursing.

Credits are earned through transfer and advanced placement. A total of 35 advanced placement credits for nursing course work completed in a state-approved, nationally accredited associate's degree or diploma nursing program are awarded after registration of the first nursing course. After a transcript evaluation has been completed, the student completes the necessary individually determined King's core credits along with 26 credits of upper division nursing course work in the professional nursing major. The maximum of 60 transfer credits will be evaluated by the Registrar and posted on the student's transcript. Course work includes one clinical practice course in community health, with a focus on primary care and leadership. Students who already have a baccalaureate degree will need to take an additional 26 BS level nursing credits and 4 credits of any electives at King's to meet the minimum of 30 credits of residency and the 120 credits required for the Bachelor of Science Degree in Nursing. A cumulative grade point average of 2.0 or higher is required for admission.

<b>Core Require</b>	ements	Credits	Notes/Instructions
College Sem.	TR Quest for Meaning CSEM 100	3	†A student may be required to take ENGL 105
Communication & Creative Expression	TR         Writing         ENGL 110†           TR         Oral Communication         COMM 101           Literature         ENGL 140-149           The Arts         ARTS 100-149	3 3 3 3	and/or MATH 100 based on placement exams administered prior to thei first semester at King's College. ENGL 105 and MATH 100 are 3-credit
Citizenship	History HIST 100-149  SBM Intercultural FREN/GERM/SPAN 100-level or Study Abroad†† N Global Connections ECON 150-199; GEOG 150-199; HIST 150-199; PS		courses and will count as free electives.  1+The Intercultural Competence requirement can be satisfied by taking a 100-level language class for 3 credits or participating in an approved Study Abroad experience. **Total Credits Required for Graduation = 120** (includes transfer credits)

#### **General Information:**

A student must earn a minimum of 120 credit hours to be awarded the baccalaureate degree. The number of credit hours required for graduation may be higher in certain major programs or if the student elects to pursue a second major. Beyond the requirements of the Core Curriculum and of a student's chosen major program, the balances of the credit hours required for graduation are "free electives."
