Total Credits Required for Graduation = 135

Upon graduation, a student will receive a Bachelor of Science in Business Administration (B.S.B.A.) with a major in Accounting.

*** In order to be licensed as a Certified Public Accountant in certain jurisdictions students are encouraged to complete six credits in Finance and to complete thirty three credits in accounting courses which is an additional three credits in accounting electives beyond the requirements of the degree program. Students are encouraged to complete any upper division Finance course and Accounting elective offered by King's College in fulfillment of this requirement.**

**Accounting students who wish to pursue the Certified Public Accountant examination upon graduation may be required to obtain 150 credit hours of college level education (hereinafter referred to as the "150 Hour Requirement") as a prerequisite to sitting for the examination or for receiving the certification upon successful completion of the examination. To assist student achieve the 150 Hour Requirement, a 150 hour planner is available. Accounting majors are permitted to take up to eighteen credits during their final four semesters at King's College as a means of attaining the 135 credits in this planner.

¹Students majoring in Accounting are required to take CORE 153, CORE 180, CORE 193/IB 241, MATH 123 and MSB 287. These courses satisfy both major and CORE requirements.

- CORE 153 satisfy the CORE Social Science requirement
- CORE 180 satisfies the American Studies CORE requirement
- CORE 193/IB 241 satisfies the CORE Contemporary Global Studies requirement
- MATH 123 satisfies the CORE Math requirement
- MSB 287 satisfies the CORE Philosophy II requirement

²Students may select "free electives" for personal enrichment **OR** for Minor and/or Second Major Requirements. Up to six hours of internship credit may also serve as free electives.

³CORE 110, and CORE115/116 are prerequisites for many upper-level courses and should be taken during the first year.

NOTE: CORE 287 is **NOT** the equivalent of MSB 287.

General Information:

A student must earn a minimum of 120 credit hours to be awarded the baccalaureate degree. The number of credit hours required for graduation may be higher in certain major programs **or** if the student elects to pursue a second major. **Accounting (135 credit hours - CPA Track B) requires 135 credits.** Beyond the requirements of the Core Curriculum and of a student's chosen major program, the balances of the credit hours required for graduation are "free electives."
