\*Placement to be determined. Only French courses numbered 105 or above may be taken for major credit. If a student's background is not sufficient to begin the major with FREN 105, all courses taken below 105 will be counted as electives.

\*\* In addition to FREN 105, FREN 231, FREN 233, and FREN 480, all students majoring in French are required to take a French Literature Course (FREN 235, FREN 341, FREN 342, or an appropriate FREN 291 or 391) and three (3) additional French Major Courses (for a total of 24 credits) from the following list to satisfy the major requirements. (Keep in mind that upper-level French Major Courses are offered on a rotating basis. So, choose the course when it is offered).

#### NOTES:

- If a student begins his/her study of a language at the beginning or intermediate level (FREN 101 – 104), he/she may not graduate within four years. He/she should consult with the Department Chair as early as possible to discuss different options such as taking French classes during the summer session or studying abroad in a French speaking country.
- To obtain certification candidates must pass the required Praxis exams. Certification in French and Spanish is valid for K-12.
- All Secondary Teacher Certification candidates must complete six credits of college level mathematics and six credits of college level English:

<b>Math Courses</b>	MATH 101 <sup>5</sup>	MATH 102 <sup>5</sup>
<b>English Courses</b>	ENGL 110 <sup>2</sup>	ENGL 140 <sup>2</sup> – 149 <sup>2</sup>

The Pennsylvania Department of Education requires secondary teachers to have a degree in the content area for certification. Students seeking secondary certification must meet with his/her specific content area department for content area courses required for the degree. The Education Division is not responsible for content area or Core courses for secondary certification candidates.

### NOTES:

<sup>^</sup> Depending on the level at which students start their French courses and for students who wish to student teach in their spring semester senior year are strongly encouraged to take summer courses or Study Abroad in a French speaking country to fulfill the major course requirements. **Consult with your advisor as soon as possible.**

<sup>1</sup> Choose one course from each of the Core Requirements listed on the reverse side.

<sup>2</sup> Course may satisfy both a Major and a Core requirement. SPAN 105 will satisfy the Intercultural Competence Core requirement.

<sup>3</sup> Updated Child Abuse & Criminal Record & FBI Clearances **REQUIRED** for EDUC 235, EDUC 240, EDUC 270, EDUC 304, EDUC 305, EDUC 350, EDUC 366, EDUC 467, EDUC 468.

<sup>4</sup> EDUC 299 Basic Skills is a pre-requisite for all 300 and 400 level education courses. In order to register for this course, you must take and pass all basic skills tests. Formal application to the Education Department between 48 and 60 credits – failure to complete EDUC 299 by 60 credits will result in the dropping of teacher certification in compliance with PDE regulations.

<sup>5</sup> Students should strongly consider taking MATH 101 and MATH 102 in place of MATH 120. The content of the MATH 101/MATH 102 sequence is consistent with the material found on the Basic Skills examination. Together, MATH 101 and MATH 102 satisfy the three math credits required for King's College Core Curriculum as well as the six credit math requirement for Education.

<sup>PR</sup> Course has a prerequisite – check college catalog.
