			Total Credits at King's College		30
Total Credits Required for Graduation = 120 (includes transfer credits)					

Graduates of associate degree and diploma programs of Nursing, after obtaining licensure, may enroll in the Bachelor of Science in Nursing degree program. The BS in Nursing degree requires a minimum of 120 credits and includes 3 graduate credits that may be applied to a Master of Science Degree Program in Nursing.

Course work includes one clinical practice course in community health, with a focus on primary care and leadership. Students who already have a baccalaureate degree will need to take an additional 26 BS level nursing credits and 4 credits of any electives at King's to meet the minimum of 30 credits of residency and the 120 credits required for the Bachelor of Science Degree in Nursing. A cumulative grade point average of 2.0 or higher is required for admission.
