### Total Credits Required for Graduation = 121

**NOTE:** If a student begins his/her study of a language at the beginning or intermediate level (CORE 141S-144S), he/she may not graduate within four years. He/she should consult with the Department Chair as early as possible to discuss different options such as taking Spanish classes during the summer session or studying abroad in a Spanish speaking country.

\*Placement to be determined. Only Spanish courses numbered 145 or above may be taken for major credit. If a student's background is not sufficient to begin the major with CORE 145S, all courses taken below 145 will be counted as electives.

\*\* In addition to CORE 145S/CORE 147S, SPAN 231, SPAN 233, and SPAN 480, all students majoring in Spanish are required to take two (2) additional Spanish courses from the following list to satisfy the major requirements. Students must take one course with a focus on Latin America and one course with a focus on Spain.

- If a student takes CORE 180, then he/she should choose from 151 – 158 to fulfill the 15x requirement AND from 191 – 198 to fulfill the 19x requirement.
- If a student takes CORE 190, then he/she should choose from 151 – 158 to fulfill the 15x requirement AND from 181 – 188 to fulfill the 18x requirement.

### General Information:

A student must earn a minimum of 120 credit hours to be awarded the baccalaureate degree. The number of credit hours required for graduation may be higher in certain major programs **or** if the student elects to pursue a second major.

Beyond the requirements of the Core Curriculum and of a student's chosen major program, the balances of the credit hours required for graduation are “free electives.”
