## **ISSUANCE OF CERTIFICATES FOR COMPLETION OF DSA/NACCOP CLASSES**

To receive a certificate for classes held by D. Stafford & Associates, LLC or the National Association of Clery Compliance Officers and Professionals (NACCOP), attendees must attend the majority of the class. This includes in-person classes and virtual classes. DSA and NACCOP understands that attendees may need to miss class for a legitimate reason for longer periods of time or may need to leave the room during a class for a few minutes to take a phone call or attend to other business. That said, our <u>general rule</u> of thumb for our 4 and 5 day classes is that if an attendee misses more than 1 hour of class time, they will not be issued a certificate of completion for the class. If the class is a 1, 2 or 3 day class, the amount of time that can be missed may be less, as classes of those lengths are more condensed.

**For virtual classes**, because we can't see all of the attendees all of the time like we can in an in-person class (based on the attendee controlling whether they have their camera turned on or not), the criteria for receipt of a certificate is determined based on missed class time (<u>no more than 1 hour or less</u>, depending on the length of the class) and participation in the <u>Attendance Polls</u> that will be launched throughout each day of class. Attendance polls are left up for approximately 5 minutes and the instructor notifies the attendees that a poll is being launched before doing so, to ensure that everyone who is there can/will respond to the poll. If there is an issue with responding to the attendance poll, the attendee would need to <u>immediately notify the Administrative Support</u> <u>person</u> in the course via the chat function in the zoom platform. That way we can immediately resolve any issues and give the attendee credit for being in attendance for the poll. Notifying us hours or days after having an issue with not being able to complete the attendance poll will not allow us to give the attendee credit for being in class during the poll.

Our classes qualify for credit toward a Master's Degree at New England College (and regardless if you decide to seek credit or not, but accreditation requirements mandate that we follow the same standards for all class attendees), so we have strict attendance standards that we follow for issuance of a certificate, which equates to verification that the participant attended the complete class. For DSA and NACCOP, issuance of a Certificate of Completion is verification of that fact.

If the attendee missed class for a legitimate reason, that doesn't mean that an attendee wasn't there for much of the class and that they didn't benefit from that attendance. It just means that based on the missed time and/or attendance polls (in virtual classes only), we aren't able to issue you a certificate of completion.

If an attendee has to miss time in class, the instructions attendees receive before the class provide instructions for notifying the Administrative Support person about the time that will be missed **IN ADVANCE**, so we can jointly identify what blocks of instruction will be missed, and the DSA/NACCOP team will then work with the attendee to see if we can get them in a future class module to make up that material, which would result in us being able to issue the attendee a certificate. We provide this service and opportunity at no additional cost, as we want each attendee to finish the class and get a certificate of completion. Effective communication by each attendee is the key to this option.

# <u>Not</u> Applying Federal Rules of Evidence

Rule 403: The court may exclude relevantevidence if its probative value is substantiallyoutweighed by a danger of one or more of the following: unfair prejudice, confusing the issues, mideading the jury, undue delay, wasting time, or needlessly presenting cumulative evidence.

Rule 404: Evidence of a person's character or character trait is not admissible to prove that on particular occasion the person acted in accordance with the character or trait.

# From the Preamble... The Department reiterates, however, that the essential function of cross-examination is not to embarrass, blame, humiliate, or emotionally berate a party, but rather to ask questions that probe a party's narrative in order to give the decisionmaker the fullest view possible of the evidence relevant to the allegations at issue.

Decision-maker Questions ... from the Regs

"The degree to which any inaccuracy, inconsistency, or implausibility in a narrative provided by a party or witness should affect a determination regarding responsibility is a matter to be decided by the decision-maker, after having the opportunity to ask questions of parties and witnesses, and to observe how parties and witnesses answer the questions posed by the other party."

### Decision-maker Questions from the Regs

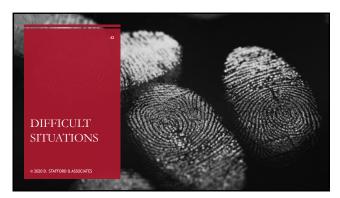

- <u>Permit the decision-maker</u> on the decisionmaker's own initiative to ask auestions and <u>elicit testimony</u> from parties and witnesses, as part of the recipient's burden to reach a determination regarding responsibility based on objective evaluation of all relevant evidence including inculpatory and exculpatory evidence
- Thus, the skill of <u>a party's advisor is not the</u> only factor in bringing evidence to light for a decision-maker's consideration

40

41

"If a party or witness does not submit to cross-examination at the live hearing, the decision-maker(s) must not rely on any statement of that party or witness in reaching a determination regarding responsibility."

44

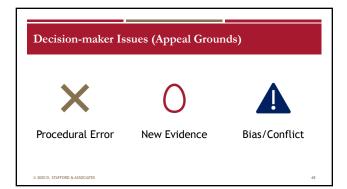

"The decision-maker(s) cannot draw an inference about the determination regarding responsibility based solely on a party's or witness's absence from the live hearing or refusal to answer cross examination or other questions."

## STATEMENT OF RIGHTS AND PROCESS

I will now go over the rights of the parties in the hearing and the process.

- 1) Other than the parties, their advisors, the decision-makers and \_\_\_\_\_, no other persons will be permitted into the hearing except for witnesses. Each witness invited to the hearing will be allowed in only for their interview.
- *2) FOR ZOOM: We are using waiting rooms and only persons that have been invited to the hearing will be admitted from the waiting room.*
- 3) This is an administrative hearing—it is not a court of law. Judicial rules of evidence do not apply. Questions will be asked by the decision-maker and the advisors will be allowed to cross examine the other party and witnesses.

- 4) The Decision-makers have been given a copy of the report and have reviewed it. They will be asking for you to confirm the accuracy of your statements in the report and may ask follow-up questions from the summary of relevant evidence.
- 5) Only relevant evidence will be considered in making a finding of responsibility and the decisionmakers will not rely on any evidence in making a finding of responsibility that is not permissible either by policy or by law.
- 6) This is a formal administrative hearing and rules of decorum will apply. We expect professionalism and respect for all parties and participants. Failure to follow these rules will result in your removal.
- 7) The decision-maker has made no predetermination of responsibility. At the conclusion of the hearing, after weighing relevant evidence, the decision-makers will make a finding of responsibility based on the (insert standard of evidence).
- 8) This determination will be provided to both parties within \_\_\_\_\_ days of the hearing.

I will now address a few items to the parties.

- 1) FOR ZOOM: Must keep camera on for us to see you for the duration of the hearing unless prompted to do otherwise by the decision-maker. What you choose to listen to or watch is up to you although we ask your advisor be able to hear to full testimony. If you decide to mute the hearing at any point, your advisor is responsible for letting you know when to rejoin.
- 2) FOR IN PERSON: If at any point you do not want to hear a party or witness, you may choose to step out for the duration of that portion by letting the decision-maker know. Your advisor is responsible for letting you know when to rejoin.
- 3) Order of questioning—Complainant, Respondent and then Witnesses. The Decision-maker will start with questions and then the party's advisor will be allowed to cross. The Decision-maker may ask additional follow up questions after cross-examination. No additional cross will be allowed except at the discretion of the decision-maker.
- 4) During cross examination, each question must be reviewed by the decision-maker prior to you answering the question. The decision-maker will prompt you when you may answer the question.
- 5) You may refuse to answer a question on cross-examination and the Decision-maker will not make a determination regarding responsibility <u>solely</u> on your refusal to answer a question. However, refusing to answer a question may limit the Decision-maker in their ability to rely on other statements you have made.
- 6) As a reminder, the University prohibits false information in the Student Code of Conduct. Information presented is expected to be truthful and complete.

Finally, the last items are for the advisors.

- 1) Your role is to ask the cross-examination questions. Your questions should be the questions that come from the party. You are to have no other role in the process. You may not advise the party on how to respond, interrupt either party or respond on their behalf.
- 2) FOR ZOOM: If you need to take a break and talk privately, you may do so by letting the decisionmaker know and then muting yourself or requesting to be put in a breakout room. While this will be permitted, excessive requests that unduly delay the process will not be allowed.

- 3) FOR IN PERSON: If you need to take a break or talk privately, you may do so by letting the decision-maker know. While this will be permitted, excessive requests that unduly delay the process will not be allowed.
- 4) You may only ask relevant questions. These are questions regarding the facts outlined in the "Summary of Relevant Evidence" in the Investigative Report.
- 5) If your party pre-submitted questions, we will provide those that have been approved for relevancy to you to ask at the appointed time.
- 6) New evidence, not in the investigative report, will generally not be allowed unless it was not reasonably available at the time of the investigation and only at the discretion of the Decision-maker.
- 7) All cross-examination questions will be reviewed first by the Decision-maker who will review the question to determine if it is relevant and will explain any decision to exclude a question as not relevant.
- 8) Any questions or evidence about privileged information such as medical or psychological records is not permitted without written waiver.
- 9) Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant unless an exception applies. Do not ask a question along those lines unless you know an exception applies.
- 10) Questions must be asked in a respectful manner at all times. Failure to adhere to these rules will result in a warning. If the behavior continues, the advisor will be removed and a new advisor will be appointed by the University.
