General Information:

After obtaining Registered Nurse (RN) licensure, state-approved, nationally accredited associate or diploma nursing program graduates may apply for the Bachelor of Science (BS) in Nursing degree program. A cumulative grade point average of 2.0 or higher is required for admission. The RN to BS in Nursing Degree requires 120 cr. for graduation. Coursework includes NSG 410: Community Health Clinical, a 2-cr. course in which students will gain community health experiences, and NSG 500: Advanced Physical Assessment, a 3-cr. course, which may be applied to a Master of Science Degree Program in Nursing. Credits are earned through completing King's College Core Course Requirements (47-cr.), Elective courses (12-cr.), transfer and advanced placement (AP) courses (35-cr.), and upper-level nursing coursework (26-cr.). All nursing courses are online except for NGS410: Community Health Clinical.

Nursing – RN to BS in Nursing Degree
