## LEAD WITH KNOWLEDGE

- Evidence-Based Programming
- Active Learning
- Taught by Practitioners
- Competitive Tuition

Advance your career and enhance your professional knowledge by enrolling in a King's College graduate program. Complete a Master of Education Degree, pursue a Pennsylvania Department of Education endorsement and maybe earn Act 48 credit with a professional development course. King's offers personalized program plans to help you reach your next career goal. Programs are designed to enhance the professional curricular and instructional competencies of individuals who work with young children, adolescents and adults.
