

Diversity Awareness Program

with Justin Brown

Sponsored by Human Resources & Diversity Equity and Inclusion Committee

Join this interactive diversity workshop with a focus on implicit bias! Justin Brown, founder of D.A.P, is no stranger to King's College. He does a magnificent job creating spaces where participants can engage in the many topics related to diversity. All participants will receive a Certificate of Completion and will also be able to participate in thought provoking activities, explore challenges that surface amidst interactions between people of different backgrounds and views, and engage with the domains of gender, race, ethnicity, religion, physical ability, sexual orientation, language, age, and social class.
