The purpose of this Financial Declaration form is to help King's College obtain complete and accurate information about the funds to foreign applicants who want to study in the United States. Increasingly strict government regulation, rising educational costs, and economic conditions have made verification of financial resources of foreign applicant essential. Financial verification must be made prior to institutional issuance of Certificate of Eligibility (I-20). You will need the Form I-20 to apply for a student visa at a U.S. Embassy or Consulate.
