After completing the application process for your education benefits and confirming your enrollment at King's College, provide your Certificate of Eligibility (CoE) to the School Certifying Official (SCO).

- The SCO cannot certify your enrollment to the VA until you have been accepted to the college and registered for classes. You may register only for classes that apply to your degree program.

Obtain official copies of transcripts from previous schools and/or military service and provide them to the SCO so they can be evaluated for credit for prior training.

Apply for financial aid using the Free Application for Federal Student Aid (FAFSA) at www.fafsa.ed.gov. All veterans and dependents should apply for financial aid. Veterans education benefits are no longer considered when figuring financial aid.

If you are applying for Federal Tuition Assistance (TA), provide a copy of your approved TA document to the SCO and the business office as soon as you receive it. Active duty students receiving TA must send an approved copy of their TA document to the Buffalo Regional Processing Office immediately upon receipt.

If you are receiving National Guard Education Assistance Program funds, notify your SCO each term/semester you receive an award letter.

Notify your SCO of ALL changes in your enrollment status ASAP. SCOs must report all enrollment changes to the VA.

After you have received your benefits award letter, verify your enrollment monthly on WAVE the last of the day of each month at www.gibill.va.gov/wave/index.do (Not required for Chapters 33 & 35)
