

PRIVATE ELEMENTARY/HIGH SCHOOL TUITION FORM 2023-2024 Academic Year

Student Name: _____ **King's ID:** _____

Your financial need is determined by the federal government when you complete your FAFSA, and your financial aid award is based on this information. However, certain circumstances are allowed to be taken into consideration when determining a student's financial aid eligibility. Private school tuition at an elementary or secondary school is one of those circumstances. In some cases, we may be able to make an adjustment to your FAFSA. **We are unable to consider preschool and/or college payments.**

Please Note: The Department of Education requires schools to perform verification on selected applicants before completing certain adjustments. Most appeals will require submission of taxes. ***Appeals will only be considered for FAFSAs that have been processed using "actual" tax information.***

Out of pocket expenses (**tuition only**) at private elementary and/or secondary school for younger children.

Documentation Required:

- Attach a statement from the school that reflects the **2023-2024 tuition charges**. The statement should be on school letterhead, showing tuition charges as well as any scholarships received.
