

## **John Lepore ('60) Scholarship for Study Abroad Information Sheet – For Travel in 2022**

Joseph Lepore '60 dedicated his life as a teacher to introducing young people to foreign languages and cultures. After graduating from King's College with a degree in French, Mr. Lepore went on to earn his master's degree in French language and literature from the University of Notre Dame and to teach for many years at high schools in our region, including sponsoring study abroad to France! Through the creation of the Joseph D. Lepore '60 Study Abroad Scholarship, established by his wife, Teresa, his daughter, Maria, and his son, John, Mr. Lepore's legacy will help King's students to explore the world through study abroad programs.
